PROTECTORATE, SWAZILAND.
HIGH COMMISSIONER'S NOTICE
No. 141 of 1942.
CONTROL OF IRON AND STEEL.
USE OF VARIOUS IRON AND STEEL
PRODUCTS IN BUILDINGS.**

It is hereby notified for general information that, under and by virtue of the powers vested in him by section *one* of the Basutoland Emergency Powers (Defence) Proclamation, 1939 (No. 35 of 1939), section *one* of the Bechuanaland Protectorate Emergency Powers (Defence) Proclamation, 1939 (No. 36 of 1939), and section *one* of the Swaziland Emergency Powers (Defence) Proclamation, 1939 (No. 37 of 1939), respectively, His Excellency the High Commissioner has been pleased to make the sub-joined regulations relating to the control of iron and steel in Basutoland, the Bechuanaland Protectorate, and Swaziland.

By Command of His Excellency
the High Commissioner

H. E. PRIESTMAN,
Administrative Secretary

High Commissioner's Office,
Pretoria, 27th June, 1942.

REGULATIONS.

1. In these regulations "Controller" means the Government Secretary or such other officer as the Resident Commissioner may appoint.

2. No person shall, as from the date of publication of this Notice in the *Gazette*, use any of the following iron and steel products, namely:—

Joists (also known as beams and girders);
angles;
channels;
tees;
rounds, flats, squares;
plates;
reinforcing rods;
rubes or pipes (gas, air, steam, water) and fittings
also electrical conduit;

in or in connection with the construction of any building (whether domestic, commercial, industrial or otherwise) or of any addition or alteration to a building, except on the authority and subject to the terms of a permit issued by the Controller:

Provided that—

- a) if the aggregate quantity of the said products to be used in any building as aforesaid, or in any addition or alteration to a building, is less than 5 tons, no permit shall be required; and
- b) in the case of any building or of any addition or alteration to a building, the construction of which had been started before the date of

publication of this Notice in the *Gazette*, a permit shall not be required for the use of the said products during the twenty-one days immediately following such date.

Construction shall be deemed to have started when any of the said products have been incorporated in any such building, addition or alteration.

3. No application for a permit will be considered unless the applicant completes in duplicate the form of declaration embodied in Application Form C.S. 2 hereto. Application forms may be obtained from the Controller.

4. Notwithstanding anything contained in these regulations the Controller may, in his discretion, grant exemption from the whole or any of these regulations.

5. Any person who contravenes or fails to comply with any provision of these regulations, or who knowingly furnishes any incorrect or incomplete information, shall be guilty of an offence and liable on conviction to a fine not exceeding two hundred pounds or to imprisonment for a period not exceeding one year, or to both such fine and imprisonment.

FORM C.S. 2.

This form must be completed in duplicate.
