

BECHUANALAND PROTECTORATE.  
GOVERNMENT NOTICE No. 2 OF 1943.  
CONTROL OF BUILDING.

It is hereby notified for general information that, under the powers vested in me by regulations 3 and 4 of the Annexure to High Commissioner's Notice No. 199 of 1942, I do hereby prohibit, regulate and order as follows:—

1. In this notice "Controller", "building", "Public Utility Authority" and "authorised officer" shall have the respective meanings assigned to them in the Annexure to High Commissioner's Notice No. 199 of 1942.

2. As from the date of publication of this notice in the *Gazette*, no Public Utility Authority shall provide any electrical connection to any building (whether completed or in the course of construction) unless the owner of such building produces a permit issued on behalf of the Controller in terms of regulation 3 of the regulations appearing in Government Notice No. 29 of 1942, as published in the *Gazette* of the 16th October, 1942, and containing an express condition or provision that an electrical installation may be provided in such building:

Provided, however, that this regulation shall not apply to any building for the erection of which no permit is required in terms of the exemptions contained in paragraphs (a), (c) and (f) of regulation 7 of the regulations appearing in the aforesaid Government Notice No. 29 of 1942.

3. Regulation 2 of the regulations appearing in the aforesaid Government Notice No. 29 of 1942 is hereby amended by the addition of the following sentence at the end thereof:—

"Applications for permits to demolish buildings shall be made in writing to the Controller."

W. G. BRIND,  
Building Controller.
