NOTE.

1. A separate application, which must be submitted in triplicate or in quadruplicate, in respect of goods for shipment through the port of Lourenco Marques, is required in respect of each consignment.
2. Applications must be completed either *in typescript or in block capitals in ink.*
3. *Applications which contain alterations or erasures or which are not fully completed will not be considered.*
4. An application for an export permit may be refused without assignment of any reason therefor.
5. A certificate of essentiality and/or import permit, if issued by the Government of the country of destination must be forwarded with the application.
6. If the goods to be exported are not in stock but still have to be manufactured the application must be accompanied by a covering letter in which the applicant must state what materials are involved, whether such materials are available and the sources of supply.
7. A permanent reference number will be allocated to each exporter at the time his first application is received. *This number must be quoted on all subsequent applications and relative correspondence.*
8. If an applicant for a permit supplies any false information in connection with his application, the Director-General of Supplies may refuse such application and any future applications made by the same applicant.
9. Exporters may enclose, with their applications, unstamped, addressed envelopes to be used for forwarding permits to them.
10. Telephonic or personal enquiries regarding applications will not be entertained.
11. If and when goods are to be exported to replace a consignment lost in transit, particulars sufficient to identify it, including numbers of covering permits, should be submitted in a statement attached to the application.
12. Applicants may have their own forms printed provided the particulars and lay-out conform with the official form.
