(1) When all the ballot boxes have been received by the returning officer, he shall, in the presence of any candidate or counting agents who wish to be present, proceed to verify the ballot envelope accounts of each polling station in the polling district by opening the sealed packet containing the unused, spoilt and cancelled ballot envelopes from that polling station and comparing the number of ballot envelopes in it and the total number of ballot envelopes found in the ballot boxes for that polling station.

(2) The returning officer shall prepare a statement as to the result of the verification and shall on request allow any candidate or counting agent to copy such statement.

(3) After examination the returning officer shall return the unused, spoilt and cancelled ballot envelopes to the packet from which they were taken and shall reseal such packets with his seal.

Method of Counting.

43. (1) After verifying the ballot envelope accounts in the manner set out in regulation 42, the returning officer shall then open each ballot envelope, remove the counter therein, affix it to the face of the envelope and put the envelope into a separate pile or receptacle according to the colour of the counter.

(2) The returning officer shall not open the tendered ballot envelopes but shall put them all together into a separate pile or receptacle.

(3) The returning officer shall reject and endorse the word "rejected" on any ballot envelope on which anything is written or marked by which the voter can be identified except the serial number, or which does not bear the official mark in accordance with sub-paragraph (i) of paragraph (c) of regulation 25, or in which there is no counter or more than one counter:

Decision by Lot.

48. When an equality of votes is found to exist between any candidates so that the addition of a vote would entitle one of the candidates to be declared elected, the returning officer shall forthwith decide between those candidates by lot, and shall proceed as if the candidate on whom the lot falls had received an additional vote.
