

Statutory Instrument No. 15 of 1968

FAUNA CONSERVATION PROCLAMATION, 1961

DECLARATION OF CONTROLLED HUNTING AREAS ON STATE LAND

In exercise of the powers vested in him by section 10 of the Fauna Conservation Proclamation, 1961 (No. 22 of 1961), His Excellency the President hereby declares the following areas, being areas of State land, to be controlled hunting areas for the purposes of that Proclamation —

Kachikau Controlled Hunting Area (No. 1)

Commencing at a point on the international boundary between Botswana and the Caprivi Zipfel being a point on the Chobe National Park boundary (as defined in the National Parks Act No. 48 of 1967) due north of a beacon situated on Fire-break No. 19 at Ngoma, the boundary runs due south to the said beacon; thence southwards following the eastern edge of the said Fire-break No. 19 for a distance of approximately twenty and one half miles; thence due west to the international boundary between Botswana and the Caprivi Zipfel being a point on the Chobe River; thence generally north-eastwards following the said international boundary to the point of commencement.

Kasane Controlled Hunting Area (No. 2)

Commencing at a point on the eastern boundary of the Chobe National Park being the intersection of the said boundary and the direct road from Serondela to Lesoma, the boundary runs generally eastwards following the middle of the said Lesoma road to its intersection with the international boundary between Botswana and Rhodesia at the Lesoma Gate; thence generally south-eastwards following the said international boundary between Botswana and Rhodesia to the middle of the gate on the road from Kanyu to Matetsi in Rhodesia at Panda-matenga; thence generally south-westwards following the middle of the said road from Matetsi to Kanyu to its intersection with the road from Dodo to Masame at Dodo; thence generally westwards following the middle of the said road from Dodo to Masame to the borehole at Masame; thence in a straight line due west to the eastern boundary of the Chobe National Park; thence generally northwards following the eastern boundary of the Chobe National Park to the point of commencement.

Masame Controlled Hunting Area (No. 3)

Commencing at the junction of the Kanyu to Panda-matenga and Nunga to Ngwezumba roads, the boundary runs generally westwards following the middle of the Nunga to Ngwezumba road for a distance of approximately four miles to the intersection of this road and the road from Panda-matenga to Masame; thence generally westwards following the middle of the Panda-matenga to Masame Road to the borehole at Masame; thence due west to the eastern boundary of the Chobe National Park; thence generally southwards and westwards to a point on Latitude 19° South being exactly twelve miles due west of the stock-route from Bushman Pits to Kazungula; thence in a straight line due south to the point where this line is intersected by the straight line drawn between the junction of the old road from Maun to Joverega and the eastern boundary of the Batawana Tribal Territory and the north-east beacon of the Marulamantsi Ranch boundary; thence eastwards following the latter line for about one mile to its intersection with the middle of the road from Kanyu to Panda-matenga; thence generally north-eastwards following the said road from Kanyu to Panda-matenga to the point of commencement.

Tamafupa Controlled Hunting Area (No. 4)

Commencing at a point on the international boundary between Botswana and Rhodesia being a point in the middle of the gate at Panda-matenga on the road from Kanyu to Matetse (in Rhodesia) the boundary runs generally south-westwards following the middle of the said road from Matetse to Kanyu to the point where it is intersected by the straight line drawn between the junction of the old road from Maun to Joverega where it intersects the eastern boundary of the Batawana Tribal Territory and the north-eastern beacon of Marulamantsi Ranch; thence eastwards following the latter said line to the said beacon at Marulamantsi Ranch; thence southwards following the eastern boundary of Marulamantsi Ranch to a point three miles distant from the said beacon; thence due east to a point on the international boundary between Botswana and Rhodesia; thence generally north-westwards following the international boundary to the point of commencement.

Mababe Controlled Hunting Area (No. 8)

Commencing at a beacon situated on the southern edge of a molapo known as Tsantsara (also known as Gatgarra) being a point on the eastern boundary of the Batawana Tribal Territory, the boundary runs in a south-easterly direction following the southern edge of the Tsantsara Molapo to its intersection with the western edge of the sand ridge known as Magwikwe; thence generally southwards following the western edge of the Magwikwe Sand Ridge to its point of intersection with Latitude 19° South; thence eastwards following the said Latitude 19° to a point on the said Latitude 19° South twelve miles due east of the stock-route from Bushman Pits to Kazungula; thence in a straight line due south to its point of intersection with a straight line drawn between the beacon at the north-east corner of Marulamantsi Ranch and the point where the old road from Maun to Joverega intersects the eastern boundary of the Batawana Tribal Territory; thence eastwards in a straight line to the said point of intersection of the old road from Maun to Joverega and the eastern boundary of the Batawana Tribal Territory; thence due north following the Tribal Boundary to the point of commencement.

Botletle Controlled Hunting Area (No. 10)

Commencing at a point in the middle of the direct road from Khumaga to Gweta being exactly five miles from the eastern bank of the Botletle River measured along the road, the boundary runs due north to the middle of the new road from Maun to Nata; thence following the middle of the said road eastwards to the point where it is intersected by the western boundary of the Bamangwato Tribal Territory; thence southwards and eastwards following the said Tribal Boundary to the point where it meets the northern edge of the Makarikari Pan; thence generally westwards, southwards and south-eastwards following the northern and western edge of the Makarikari Pan to the point where the western bank of the molapo running from the north-eastern corner of Lake Dow to Makarikari meets the edge of the said Pan; thence south-westwards following the western bank of the said molapo to the point where it enters Lake Dow; thence westwards following the northern edge of Lake Dow to the point where the eastern bank of the Botletle River enters Lake Dow; thence generally northwards following the eastern bank of the Botletle River to a point immediately west of the Wenela Camp at Khumaga; thence due north to the middle of the road from Khumaga to Gweta; thence eastwards following the middle of the said road to Gweta to the point of commencement.

Western Kgalagadi Controlled Hunting Area (No. 13)

Commencing at the junction of the northern boundary of the Kgalagadi District and the international boundary between Botswana and South West Africa, the boundary runs eastwards to the point where it is intersected by the middle of the road from Thakatshwane to Tshane to Tshabong; thence southwards following the middle of the said road from Thakatshwane to Tshane to Tshabong to the point where it is intersected by the parallel of south latitude which passes through Werda Village; thence westwards to the point where the said parallel of south latitude is intersected by a line drawn from Latitude $25^{\circ} 30'$ south, Longitude $21^{\circ} 30'$ east to the intersection of Latitude $24^{\circ} 21' 37''$ south with the international boundary between Botswana and South West Africa; thence north-westwards following the said line to its point of intersection with the international boundary between Botswana and South West Africa; thence due north following the international boundary to the point of commencement.

Eastern Kgalagadi Controlled Hunting Area (No. 14)

Commencing at the point on the northern boundary of the Kgalagadi District being the intersection of the said boundary with the middle of the road from Thakatshwane to Tshane to Tshabong the boundary runs eastwards along the said northern boundary to the north-eastern corner of the Kgalagadi District; thence southwards along the eastern boundary of the Kgalagadi District to the intersection of the prolongation of the eastern boundary with the parallel of latitude passing through Werda Village; thence westwards along the said parallel of latitude to its intersection with the middle of the said road from Thakatshwane to Tshane to Tshabong; thence generally northwards along the middle of the said road to the point of commencement.

Makalamabedi Controlled Hunting Area (No. 24)

Commencing at the point where the Makalamabedi Fence intersects the middle of the old road from Bushman Pits to Maun, the boundary runs northwards following the fence line to the point where it is intersected by the middle of the old road from Maun to Joverega about four miles east of Rakoko; thence eastwards following a straight line drawn between this point and the most north-eastern beacon on Marulamantsi Ranch to the point where this line intersects the middle of the new stock-route from Bushman Pits to Kazungula; thence generally south-westwards following the middle of the said stock-route to its intersection with the old road from Kanyu to Maun; thence generally westwards following the middle of the said road from Kanyu to Maun via Bushman Pits to the point of commencement.

Odeakwe Controlled Hunting Area (No. 25)

Commencing at a point where the eastern boundary of Ngamiland District is intersected by a straight line drawn between the point of intersection of the old road from Maun to Joverega and the eastern boundary of the Batawana Tribal Territory about four miles east of Rakoko and the north-eastern boundary beacon of Marulamantsi Ranch, the boundary runs eastwards following the said straight line to the intersection of the said straight line and the western boundary fence of Mahutumabe Ranch; thence south-westwards following the western boundary fence of Mahutumabe Ranch to the most south-westerly beacon of the said ranch being a point on the northern edge of the old road from Nata to Bushman Pits; thence westwards following the northern edge of the old road from Nata to

Bushman Pits to the point where it is intersected by the eastern boundary of Ngamiland District; thence northwards, north-westwards and northwards following the eastern boundary of Ngamiland District to the point of commencement.

Nata Controlled Hunting Area (No. 26)

Commencing at a point on the eastern boundary of Marulamantsi Ranch; the said point being exactly three miles south of the north-eastern boundary beacon of the said Marulamantsi Ranch being measured along the said eastern boundary, the boundary runs due east to the point where it intersects the international boundary between Botswana and Rhodesia; thence generally south-eastwards following the said international boundary to the point where it is intersected by the middle of the Nata River; thence generally south-westwards following the middle of the Nata River to the point where it is intersected by the old motor bridge at Nata; thence following the middle of the old road from Francistown to Bushman Pits to a point in the middle of the said road due south of the most south-easterly boundary beacon of Marulamantsi Ranch; thence due north to the said boundary beacon of Marulamantsi Ranch; thence following the eastern boundary of Marulamantsi Ranch northwards to the point of commencement.

Okwa Controlled Hunting Area (No. 29)

Commencing at a point in the middle of the Mamono Gate on the international boundary between Botswana and South West Africa the boundary runs eastwards along the middle of the road from Mamono-Ghanzi to a point in the middle of the said road due south of the south-western beacon of the Xanagas farms; thence due north to the said beacon; thence generally eastwards and northwards following the southern and eastern boundaries of the Xanagas farms to the north-eastern beacon of the said Xanagas farms; thence due north to a point on the international boundary between Botswana and South West Africa; thence eastwards to the south-western beacon of the Ghanzi farms; thence generally eastwards along the southern boundary of the Ghanzi farms to the intersection of this boundary with the middle of the road from Ghanzi to Kang; thence south-eastwards following the middle of the road from Ghanzi to Kang to the point where it is intersected by the southern boundary of the Ghanzi District; thence due west to the international boundary following the southern boundary of the Ghanzi District; thence due north following the international boundary to the point of commencement.

Anderssen's Vlei Controlled Hunting Area (No. 30)

Commencing at the point on the southern boundary of the Ghanzi farms where it is intersected by the middle of the road from Ghanzi to Kang, the boundary runs eastwards and northwards following the boundary of the Ghanzi farms to the point where it is intersected by the road from Dekar to /xade Pan; thence generally south-eastwards following the middle of the road from Dekar to /xade Pan to the point where it is intersected by the western boundary of the Central Kalahari Game Reserve; thence due south following the western boundary of the Kalahari Game Reserve to its junction with the southern boundary of the Ghanzi District; thence due west following the southern boundary of Ghanzi District to the point where it is intersected by the middle of the road from Kang to Ghanzi; thence generally north-westwards following the middle of the road from Kang to Ghanzi to the point of commencement.

Tshabong Controlled Hunting Area (No. 34)

Commencing at the intersection of the parallel of south latitude which passes through Werda Village and a line drawn from Longitude 21° 30' East, Latitude 25° 30' South to Latitude 24° 21' 37" South, Longitude 20° 00' East, the boundary runs eastwards to the Police Camp at Werda; thence due south to the international boundary between Botswana and South Africa; thence generally south-westwards, westwards and northwards following the said international boundary to the southern boundary of the Gemsbok National Park at Twee Rivieren; thence due east to Longitude 21° 30' East; thence northwards along Longitude 21° 30' East to its intersection with Latitude 25° 30' South; thence north-westwards in a straight line to the point of commencement.

J.A. ALLISON,
Secretary to the Cabinet

Office of the President;
