(2) A certificate issued under section 26(4) of the Act shall, where such servitude has been made appurtenant to the land under section 26(5), be in form W9 and shall be under the hand of the Water Registrar.

(3) Where the servitude is to be exercised in relation to any specified area of land within the servient tenement, there shall be annexed to the certificate issued under this regulation a diagram showing the servient tenement and the area subject to the servitude unless the Surveyor-General directs that the requirements of this subregulation may, in any particular case, be dispensed with.

(4) The certificate shall contain a sufficient description of the land encumbered by the servitude and shall mention the title deed of such land.

(5) The certificate shall contain the full names and, in the case of natural persons, the dates of birth of the persons named therein unless the Registrar, in special circumstances, otherwise directs.

31. (1) Subject to the provisions of subregulation (2), for the registration of a certificate the title deed of the servient tenement shall be produced and, in the case of a praedial servitude, the title deed of the dominant tenement shall also be produced.

(2) Where the holder of a servitude granted under section 26 of the Act is unable to produce the title deed of the servient tenement and the Registrar is otherwise unable to obtain its production, the Registrar may dispense with the requirements of subregulation (1) in relation to such deed.

#### **Endorsement**

32. In registering a certificate, the Registrar shall endorse the terms of the servitude and the number and date of the certificate on the title deed of the servient tenement and, in the case of a praedial servitude, also on the title deed of the dominant tenement;

should, however, the description of the servitude be of such a lengthy or complicated nature as to render an effective reference thereto or a transcription thereof impracticable by endorsement, an extract thereof certified by a conveyancer shall be lodged for annexure by the Registrar to the originals and office duplicates of the deeds affected, and a suitable reference to such extract shall be made by the Registrar upon such deeds.

#### **Subsequent Dealings with Servitude**

33. #### **Production of Title Deeds**

37. (1) The Registrar may, by notice served upon any person whom he has reason to believe is in possession of any deed of title which he requires for the registration of a certificate, call upon such person to produce such deed to him.

(2) Any person who without just excuse fails to produce a deed when called upon so to do under the provisions of subregulation (1), shall be guilty of an offence and liable on conviction to a fine not exceeding R50 or to a term of imprisonment not exceeding three months, or to both such fine and such imprisonment.
