

Statutory Instrument No. 79 of 1982

DISEASES OF ANIMALS ACT
(Cap. 37:01)

DECLARATION OF RABIES (KANYE) INFECTED AREA ORDER,
1982

(Published on 23rd July, 1982)

ARRANGEMENT OF PARAGRAPHS

PARAGRAPH

1. Citation
2. Declaration of infected area
3. Inoculation of dogs in infected area
4. Isolation of infected dogs
5. Destruction of dogs not kept in isolation
6. Restriction as to movement of dogs in infected area

IN EXERCISE of the powers conferred on the Director of Veterinary Services by section 4 of the Diseases of Animals Act, the following Order is hereby made –

- | | |
|--|--|
| 1. This Order may be cited as the Declaration of Rabies (Kanye) Infected Area Order, 1982. | Citation |
| 2. The area lying within the radius of 12 kilometres from the District Commissioner's Office Kanye, is hereby declared to be infected with rabies. | Declaration of infected area |
| 3. The owner or any person in charge of a dog of or above the apparent age of four months shall, within 21 days of the coming into operation of this Order, ensure that such dog is inoculated against rabies by or under the supervision of a veterinary officer:
Provided that the provisions of this paragraph shall not apply to a dog which has been inoculated on or after 1st May, 1982. | Inoculation of dogs in infected area |
| 4. The owner or any person in charge of a dog in the infected area shall ensure that such dog is isolated from other dogs by being kept, at all times, either confined within a building or other enclosed premises or on a lead. | Isolation of infected dogs |
| 5. Any dog which has not been isolated in accordance with the provisions of paragraph 4 shall be deemed to have been in contact with or exposed to the disease of rabies and shall be destroyed in accordance with the provisions of section 12 of the Act. | Destruction of dogs not kept in isolation |
| 6. No person shall, without the permission of the Director of Veterinary Services or his representative, move any dog into or out of the infected area. | Restriction as to movement of dogs in infected areas |

MADE this 7th day of July, 1982.

P. BANNISTER,
Acting Director of Veterinary Services.
