

Statutory Instrument No. 36 of 1987

DISEASES OF ANIMALS ACT
(Cap. 37:01)

**DECLARATION OF RABIES (GASITA VILLAGE) INFECTED
AREAR ORDER, 1987.**

(Published on 27th March, 1987)

ARRANGEMENT OF PARAGRAPHS

PARAGRAPH

1. Citation
2. Declaration of infected area
3. Inoculation of dogs in infected area
4. Isolation of infected dogs
5. Destruction of dogs not kept in isolation
6. Restriction as to movement of dogs in infected area

IN EXERCISE of the powers conferred on the Director of Veterinary Services by section 4 of the Diseases of Animals Act, the following Order is hereby made —

1. This Order may be cited as the Declaration of Rabies (Gasita Village) Infected Area Order, 1987.

Citation

2. The area within 50 kilometers radius of the Kgotla at Gasita Village is hereby declared to be infected with rabies.

Declara
tion of
infected area

3. The owner or any person in charge of a dog of or above the apparent age of four months shall, within 21 days, of the coming into operation of this Order ensure that such dog is inoculated against rabies by or under the supervision of a veterinary officer:

Inoculation
of dogs in
infected area

Provided that the provisions of this paragraph shall not apply to a dog which has been inoculated within 60 days immediately before the coming into operation of this Order.

4. The owner or any person in charge of a dog in an infected area shall ensure that such dog is isolated from other dogs by being kept at all times, either confined within a building or other enclosed premises or on a lead.

Isolation
of infected
dogs

5. Any dog which has not been isolated in accordance with the provisions of paragraph 4 shall be deemed to have been in contact with or exposed to the disease of rabies and shall be destroyed in accordance with the provisions of section 12 of the Act.

Destruction
of dogs
not kept
in isolation

6. No person shall, without the permission of the Director of Veterinary Services or his representative, move any dog into or out of the infected area.

Restriction
as to
movement of
dogs in
infected area

MADE this 10th day of March, 1987.

M.G. MOSIENYANE,
Director of Veterinary Services.
